

### Assignor

Name	Place	Date
Signature		
<p>I assign power of attorney to the person specified below for the purpose of collecting a delivery addressed to me containing a Finnish passport, an identity card, a minor's identity card or a foreigner's identity card. I understand that the assignee will be able to gain possession of the permit document delivery only under the condition that they can reliably be identified at the collection point of the permit document by means of his or her valid passport or identity card issued by Finnish authorities. The assignee must also present the tracking number I received.</p>		

### Assignee

Name	End of the personal identity number
Signature	
<p>I understand that, as the assignee, I will be able to gain possession of the permit document delivery only if I can be reliably identified by means of a valid passport or identity card, which has been issued by Finnish authorities. The delivery can be collected after the possessor of the permit document has received a notification of the delivery arriving at the collection point. When collecting the permit document, I must present the tracking number specified in the notice of arrival.</p>
