POLIISI
POLICE OF FINLAND

RESET

Rectification or erasure of personal data or restriction of processing personal data

The requestor

Personal identity code (or date and place of birth)		
Family name (also previous family name)	Given names (also previous given names)	
Street address	Postal code	City
Email address	Phone number	

Request for rectification, erasure or restriction of processing

The request must show with sufficient accuracy processing purpose, information system, personal data file or part thereof to which the request is directed.

Specify police information system or personal data file

I request the data controller to

☐ rectify ☐ erase ☐ restrict

the following data relating to me.

Please specify the data to be rectified / erased / restricted word for word

I want the rectification to made as follows - please give your suggestion for the rectified wording word for word

My justification for the rectification / erasure / restriction of processing is:

Signature

Date, place and signature (data subject)

Please make sure that your request contains enough detail about whose personal data are at issue, which data of the police you want rectified or erased, why you feel that the information in question is incomplete, inaccurate or incorrect in view of the purpose of the processing, and how you want the information in question changed.

You can submit a request to correct inaccuracies in information held about you in the police's national information systems at any police station. The police unit that receives your request will forward it to the National Police Board. Alternatively, you can send your request directly to the National Police Board by email or by post.
